Mrs. Sadie Nowers has filed divorce proceedings in the Mason Circuit Court against Ernest W. Nowers and in her petition states that without any fault on her part and for a period longer than six months last past, the defendant has habitually behaved towards her in such a cruel and inhuman manner as to indicate a settled aversion to her and to destroy her peace and happiness permanently.

NEW MANSION

For The Governor and Large Appro-
priation For New Capitol

It was agreed Tuesday night by the Senate
Committee on Library and Public Buildings at
Frankfort to favor an appropriation of \$400,-
000 to complete the new Capitol and one of
\$75,000 for a new executive mansion.

The bill making these appropriations is a
substitute for the Bosworth bill and the same
as the Buford House bill except that the man-
sion appropriation is increased from \$50,000
to \$75,000 and carries an amendment provid-
ing that Architect Andrews shall be retained
in charge of the work. The vote on the amend-
ment was 6 to 3.

The first report of plant bed salting this sea-
son is that of J. E. Ford in Graves county. Mr.
Ford is not a member of the tobacco associa-
tion, and his plant beds have already been ruined
by being sprinkled with salt. Last year this
was a favorite method for destroying plant
beds, but the beds were generally not molested
until the plants had come up.

VIRGE MCKNIGHT

Tells How and Why, But Fails to Say
Just When

Louisville Cor. Enquirer.

Representative Virgil McKnight of Muson
county, one of the Democrats who has never
voted for Beckham and whom he never will, was
in Louisville today.

He gave it as his opinion that the session
would end in a deadlock.

He added rather ominously, however, that
there were Democrats in the General Assembly
who are opposed to further local option legi-
slation, and that if they were pressed to the
point, he did not know what plan they might
adopt in order to restrain some of the men who
being nettled over the apparent defeat of Beck-
ham, are trying to enact drastic legislation.

He said he could see no possibility of the
election of any man at this time and was not
inclined to believe that Bradley could have any
real hope of election.

REV. ROSS ARNOLD

Louisville Paper Pays a Compliment
to New Maysville Preacher

The Courier-Journal Wednesday had the fol-
lowing of the new Pastor of the First Baptist
Church of this city:

"The Rev. Ross Arnold, a student who at
present is taking a course at the Southern Bap-
tist Theological Seminary, has accepted a call
which was extended him several days ago from
the First Baptist Church at Maysville. He will
begin his pastorate at that place on Sunday,
February 23d, preaching every other Sunday
until the Seminary closes, the first of June,
when he will locate there permanently. The
Rev. Mr. Arnold is a native of Alabama and
completed the course and was graduated from
Howard College, at East Lake, a suburb of Bir-
mingham. He is said by his instructors at the
Seminary to be deeply spiritual and a man of
practical judgment."

FOR PRESIDENT,
WILLIAM H. TAFT,
of Ohio.

FOR VICE-PRESIDENT,
CHARLES E. HUGHES,
of New York.

WAIT a minute: BEACH HARGIS, who was frenzied drunk when he murdered his father, was named for a noted temperance lecturer.

If President ROOSEVELT has aided the Taft campaign with Federal patronage Mr. FORAKER shouldn't kick, because it is mainly by Federal patronage that the Ohio Senator has been exalted.

It's stated that Mrs. MARY BAKER EDDY owes the city of Concord the sum of \$400,000 for back taxes. This woman seems to deal in millions and don't keep a record of small change.

SECRETARY TAFT has ordered that hereafter none but Americans shall be put on the "gold rolls" of the Isthmian Canal. The effect of this order will be that skilled labor on the isthmus hereafter will be American citizens.

HERE is what Secretary TAFT has to say about gum shoe political treachery, and his remarks might be read by Senators FORAKER, CRANE et als with profit:

"I will not permit my name to be used in any manner in New York politics. I hope to see the New York delegation instructed for Governor HUGHES, and loyal to his candidacy to a man. I do not want the nomination for President if that honor is in any way smeared with a charge of treachery."

C. C. Hopper, Deputy Revenue Collector, reports \$13,513.90 as amount of collections for the month of January.

PIMPLES

"I tried all kinds of blood purifiers which failed to do me any good but I have found the right thing at last. My face was full of pimples and dark heads. After taking Cascarets they all left. I am now the envy of my friends. I feel free when I rise in the morning. Hope to have a chance to recommend Cascarets."

"Hooray for Bill Taft!" This is the cry that'll sweep the country this summer and fall.

SENATOR FORAKER has not only joined the Down-and-Out Club, but from the ugly faces he is making he is a High-Muck-a-Muck in the Lemon Club.

Mr. BRYAN has gone square back on his old love—"free silver at 16 to 1." Mr. BRYAN is as changeable as the moon, on his great economic principles, and his so-called policies of yesterday are the back numbers of today, and vice versa. In ten years Mr. BRYAN will, no doubt, repudiate his government ownership proposition and his initiative and referendum fetish. Time generally washes all the starch and color out of shoddy goods, and Mr. BRYAN is the latter article all right, as a practical statesman.

A GLANCE at the collective personnel of the National House of Representatives at Washington will convince any one that these United States is spreading its waving and protecting wings—the Stars and Stripes, over the face of the earth. Besides the nearly 400 Congressmen from the 46 States forming our indivisible Union, there are Delegates from New Mexico, Arizona, Alaska, Porto Rico and Hawaii, and now the latest to sit in the National Hall and root for Liberty are the two "Philippine Commissioners," Mr. BENITO LEGARDO and PABLO Ocampo, who have recently been admitted to the floor. It will sound like a far cry when Speaker CANNON calls out: "The gentleman from the Philippines."

RIGHT IN HIS LINE.

"There's a man comin' here who kin raise spirits."
"Let me know when he arrives. I want a gallon!"

This woman says that after months of suffering Lydia E. Pinkham's Vegetable Compound made her as well as ever.

Maudie E. Fergie, of Leesburg, Va., writes to Mrs. Pinkham:

"I want other suffering women to know what Lydia E. Pinkham's Vegetable Compound has done for me. For months I suffered from feminine ills so that I thought I could not live. I wrote you, and after taking Lydia E. Pinkham's Vegetable Compound, and using the treatment you prescribed I felt like a new woman. I am now strong, and well as ever, and thank you for the good you have done me."

FACTS FOR SICK WOMEN.

For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ills, and has positively cured thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, that bearing-down feeling, flatulency, indigestion, dizziness or nervous prostration. Why don't you try it?

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health. Address, Lynn, Mass.

CALL A HALT

In the Abused Privilege of Using the Sidewalk as a Skating Rink

In calling attention to a license permitted by general consent in allowing children to use the sidewalks for the purpose of roller skating, THE LEDGER does not wish to be understood as desiring to infringe upon their assumed rights to the extent of the abolishment of the practice altogether, but simply a curtailment where it can consistently be enforced with due regard to the inalienable privileges, vouchsafed to them from time immemorial.

At the same time there are prerogatives inherent to the elderly class that must not be lost sight of altogether and one of them is that he has a perfect right to pedestrianize on the pavement without being bullied off into the gutter from an impact with one of these Baby Lillians or a rising Charles L. Franks, who bowl along regardless of the rights of all except themselves.

In certain parts of the city—especially where a smooth concrete pavement is an inducement—the practice of roller skating has become almost a nuisance and should at least be curbed in order that the other fellow may not be bothered from the use of the walk entirely.

There is danger of running into a real old person who is unable to get out of the way in time to escape a collision and a fall; maids with babies in buggies perambulating are liable to meet with misfortune in like manner.

Now, as said above, it is not intended that they should be proscribed altogether, but a reasonable proscription placed upon the practice that all may have fair play.

Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. MASON CIRCUIT COURT.

W. W. Baldwin's Executors, Plaintiffs, vs. W. W. Baldwin's Deceased, Defendants.
Pursuant to a judgment rendered herein January 9th, 1908, the undersigned will sell at public outcry, on the premises in Mason county, Kentucky, to the highest and best bidder, at 2 p. m., on

MONDAY, FEBRUARY 17, 1908

the following described real property, to-wit: All of that tract of land known as the "Higgins Tract," situated on the Kenton Station place, near Maysville, in Mason county, Ky., supposed to contain 85 acres of land, more or less; being all of that portion of the land conveyed W. W. Baldwin, deceased, by Robert T. Higgins's heirs November 14th, 1899, by deed of record in Deed Book 67, page 554, Mason County Court Clerk's office, that is bounded as follows, viz: On the South by the Kenton Station Tract, on the West by the Farm land and on the North and East by Lawrence Creek. The undersigned Commissioner will have the foregoing tract of land surveyed by some competent surveyor before the day of sale. Also, there will be sold a number of acres from that portion of the lands of W. W. Baldwin, deceased, immediately adjacent to and adjoining the "Higgins Tract," on the East and North, with a small tract on the North side of the Maysville and Lexington Turnpike and extending back with Lawrence Creek sufficient to produce the balance of the money needed for the payment of the balance of the indebtedness remaining unpaid after the sale of the "Higgins Tract," being all of the Western side of the lands sold and conveyed W. W. Baldwin by R. T. Higgins's heirs October 15th, 1881, by deed recorded in Deed Book 83, page 28, Mason County Court Clerk's office. The amount of the indebtedness of money to be realized is approximately \$12,000.

Said tract of land will be sold separately and by the acre. If the "Higgins Tract" or does the sum of money to be made then the second tract will not be sold. Should it be necessary to sell the second tract or then the Commissioner, after such sale, will have the portion sold surveyed by some competent surveyor.

Said property will be sold on a credit of six and twelve months, and the purchaser must execute sales bonds with good surety, bearing legal interest from date of sale until paid, and a lien will be retained on the property sold.

GOVERNOR COX

Complimented By Senate and Presented With Handsome Flowers

FRANKFORT, Ky., February 12th.—The Senate paid a nice compliment to Lieutenant Governor Cox this morning by taking a recess for ten minutes and going in a body to the Governor's office and presenting him with flowers, as a compliment to their presiding officer while he is acting Governor.

The visit was an entire surprise and the incident illustrates the high esteem in which the Lieutenant Governor is held by the Senators of both parties.

Mrs. Elizabeth Embury died Tuesday night at her home in Rectorville, aged 70 years. She leaves three children.

Funeral this morning at 11 o'clock.

DR. LOUIS F. REINERT.
Dr. Louis F. Reinert, a brother of Mrs. John School of Maysville, passed away at the home of his parents, Mr. and Mrs. W. H. Reinert in Ripley, last Tuesday, aged 30 years, after a long illness of consumption.

Louis was a handsome and popular fellow and resided at Dover for a number of years where he operated a drugstore. He was born at Ripley in 1878. After developing his fatal malady, he spent three years in El Paso, Texas, and last fall returned to Ripley, where he declined steadily. His sister, Mrs. School, was with him when he died. His interment will occur at Ripley this afternoon.

Mrs. Mary W. Ralston died at her home in Forest avenue in this city on Thursday 12th at twenty minutes to twelve o'clock. She was born in this city and passed her 78th birthday in November last.

She was the daughter of the late Conrad M. Phister, a pioneer of this city, and the widow of the late Rev. Thomas N. Ralston, a Methodist divine of wide reputation who died at his home near Newport, Ky., about sixteen years ago and was buried at Lexington, Ky., where Mrs. Ralston will be buried on Saturday, February 15th.

She was the only sister of Capt. C. M. Phister of this city and C. G. Phister of Fort Thomas, Ky.

Funeral services will be held at her late home on Friday, 14th inst., at 4 o'clock p. m. Friends invited. Kindly omit flowers.

Lion, C. L. Saloe is reported very ill at his home in East Third street with a threatened attack of pneumonia.

ACKNOWLEDGE IT.

Maysville Has to Bow to the Inevitable—Scores of Citizens Prove It.

After reading the public statement of this representative citizen of Maysville, given below, you must come to this conclusion: A remedy which cured years ago, which has kept the kidneys in good health since, can be relied upon to perform the same work in other cases. Read this:

John Wallingford, living at the corner of Commerce and East Second streets, Maysville, Ky., says:
"I first procured Doan's Kidney Pills in 1899 and they relieved me of an attack of backache which had annoyed me for some time. My wife at that time gave for publication in our local papers a statement telling of the great benefit I had derived from Doan's Kidney Pills, procured at J. Jas. Wood & Son's Drugstore, and now, five years later, I can say that the cure then effected has been complete and permanent. My back and kidneys have never given me the least cause for complaint. Mrs. Wallingford also appreciates the value of Doan's Kidney Pills from personal experience with them. She suffered most acutely with backache, especially at night, and Doan's Kidney Pills promptly and thoroughly cured her."

Mr. Laurence H. Phister, son of Captain C. M. Phister, now one of the leading and rising young business men of Kansas City, has recently received an increase in salary of \$2,700.

A pair of large black oxen pulling a load of 3,500 pounds of tobacco up Third street yesterday morning created as much interest among the children as one of John Robinson's gilded circus wagons. The party was from Bracken county and received 12¢ for his trip.

The gage marks 17.8 and falling.

It was by no means a holiday task for Amos Boggs to carry pail after pail of water from the old well through the orchard and across the henyard to the kitchen, where Mrs. Boggs washed for the family and a dozen or so of customers. Therefore he was in no mood to enjoy questions.

"How many years have you been at this sort of things?" asked the elderly person of wealth, on whose white skirts Mrs. Boggs was then expending her energy and the heat of a heavy iron.

"Ten years," responded Mr. Boggs, striding on with his pails.

"Dear, dear!" said the woman, in a commiserating tone. "Why, how much water do you suppose you've carried in that time?"

"I've carried all that's been in the well during that time, and isn't there now, ma'am," and Mr. Boggs entered the kitchen and set the pails down with as near a thump as the nature of their contents would permit.—Youth's Companion.

Irishman Had Cheaper Form of Analysis in His Mind.

Expert testimony may be valuable from a scientific point of view, but there are often cheaper ways of establishing a certainty, as the hero of the following anecdote decided at the last moment. An Irish laborer entered a drug store, and drawing a paper bag from his pocket, poured on the counter a number of very sticky and unattractive looking lozenges.

"Can ye examine this candy?" he asked.

"It looks queer. What is the matter with it?" asked the druggist.

"Pizen, Oim thinkin'. Did ye ever see such stuff? Dinis Dily give them to me by, and Dinis is no trile of mine."

"Well, I can make an analysis."

"All right. Oim come in tomorrow on my way from worruk."

The Irishman had reached the door, but he suddenly stopped with his hand on the latch.

"And how much will that analysis be costing me?" he inquired.

"Five dollars," was the answer.

The man walked over to the counter and swept the lozenges into the bag, which he replaced in his pocket.

"Niver mind," he said. "Oim feed wan to the cat."

FABLE BROUGHT UP TO DATE.

A Little Allowance for the Imagination Requisite Here.

Once upon a Time a Brave Youth risked his Life in saving a Beautiful Girl from a Watery Grave at a Fashionable Seaside Resort.

The Grateful Father seized the Rescuer of his Daughter by the Hand, and in a Voice dripping over with Emotion, spoke thusly: "Noble Youth, to you I am indebted for everything that makes Life Worth While. Which Reward will you Take—Two Hundred Thousand Plunks or the Hand of My Child?"

"It's Me to the Digit of the Rescued Maid," answered the Brave Youth, who Figured on Copping both the Beauty and the Coin.

"Young Man, you have Chosen Wisely," replied the Grateful Parent, "for I couldn't have given you the Two Hundred Thousand Plunks at the Present Writing, as I am only a Poor Village Editor and haven't begun to Save It up yet, but my Offspring is Yours for Life, Bless you, my Child."

Moral—Fiction is Stranger than Truth. Otherwise a Poor Village Editor would not have been doing a Street at a Fashionable Seaside Resort—Chicago Daily News.

Surrendered to the Maid.

Mrs. Evelyn Fellows Masury, a society woman of Boston, surrendered her house the other night to her maid, Della Landers, who gave a party to her friends. The house was theirs for the night and dances, refreshments and a good time.

He had come there two weeks before as traveling salesman for a nursery firm near Portland, Tenn. The man failed to give any of his family history except that he had two sons at Carlisle, whom he did not desire to be notified of his illness, claiming that in case of death all the particulars desired could be found in a small grip which he had with him. Upon investigation the grip was found only to contain some cuts of fruits and an order book. He was buried at Shiloh, a mare, which he owned, being sold to defray the funeral expenses.

ONLY NECESSARY TO TREAT THE STOMACH

Claim of Central Figure in Recent Controversy Is Novel.

The new theory advanced by L. T. Cooper relative to the human stomach has attracted such widespread attention that the public in cities visited by the young man has been joined by many physicians in a discussion of his beliefs and medicines.

Mr. Cooper says that human health is dependent almost entirely upon the stomach. He says that no disease can be conquered without first alleviating all stomach disorders. He further says that most men and women of this generation are half-sick, owing to degenerate stomachs. And lastly, he claims that his New Discovery medicine will rejuvenate the human stomach in 90 days.

Cooper has been travelling from one city to another, conducting in each what he calls a campaign of education. For the past year he has met the public in the larger cities of the country, and his success has been phenomenal. Thousands of people have flocked to his headquarters wherever he has gone, and the sale of his medicine has been beyond anything of the kind ever before witnessed.

Possibly the most interesting feature of the attention this young man has attracted is what his army of followers, whom he has converted to his beliefs through his medicines, have to say on the subject. The following statements are from two well known residents of Chicago and Boston, respectively, and the enthusiasm of these is characteristic of Cooper's admirers generally.

Mrs. H. B. Mack, of 3201 State street, Chicago, says: "I have been suffering for 12 years from a combination of stomach troubles, catarrh and constipation. I had a gnawing pain in the pit of my stomach, a sort

of a dull pain that I could not quite understand. Then there was a dull headache, and my mind seemed to be wandering continually. I could not eat, and what little solid food I did eat I could not retain on my stomach. I tried every remedy I could think of, and also tried out a number of patent medicines, but without any apparent result. It was through one of my friends that I heard of Cooper's preparation, and I immediately decided to try some of it. It is two weeks since I took my first dose of it, and I feel like a new woman. The headache seems to have disappeared, and the pain in my stomach along with it. The medicine is worth its weight in gold, and I want to thank Mr. Cooper for what he has done for me."

Mr. Edwin F. Morse, of 20 Oakley street, Dorchester, a suburb of Boston, says: "For three years I had not a well day. My stomach was in frightful shape; the mere thought of food would nauseate me, and I really had a horror of anything to eat. All solid food would cause me extreme indigestion, bloating and gas on my stomach, and nothing tasted right. Some time ago I got some of this Cooper's medicines, about which there is so much talk. I actually feel as well and strong as a boy ever since the first bottle. Every sign of stomach trouble has disappeared, and I have a hearty appetite and eat three square meals; every thing seems to taste good. Anyone who knows what chronic indigestion is can appreciate what this means to me. I consider this the most remarkable medicine I ever heard of."

We sell Mr. Cooper's medicines, and find them to be all he claims. —T. J. Chenoweth.

"You see," said the insurance man "saloon property such as fixtures and other materials will not be worth 30 cents after a town is voted dry and the companies will now protect themselves against any fire."
